

Well-Being for Work & Life

The Well-Being Institute at Merced College is made up of a series of dynamic workshops that will equip you with actionable skills to help you increase your well-being. From resilience, mindfulness, and gratitude, to sleep, exercise, and nutrition, this program will deliver valuable support for your total well-being. Research on this topic is clear: Employee well-being affects your organization's productivity, customer service, and bottom line. Invest in yourself and your organization to improve your well-being today!

**Each course earns a 1/2
unit of college credit!**

This program is being taught online (self-paced).

Select the individual courses that best meet your needs or take all 5 courses and earn a Certificate of Accomplishment!

Foundations of Well-Being in the Workplace:

The Essential Elements and Their Connection to Employee Engagement

MGMT 52W

#39716 - Online: August 18 - September 1, 2021

Gain an understanding of the foundations of well-being in the workplace and explore the relationship between employee well-being and how it ties in with employee engagement, productivity, customer service and team work. The practice of gratitude will be explored along with the science behind how it impacts your well-being.

Building Resilience:

Essential Skills to Bounce Back and Grow During Challenges and Change

MGMT 52R

#39718 - Online: September 22 - October 6, 2021

Discover strategies for building resilience to stress and strengthening your well-being in the face of challenges at work. The practice of Mindfulness will be covered as well as an exploration of how resilient mental habits are foundational to well-being and productivity in the workplace.

Fuel Your Body for Success:

The Link Between Food, Quality Sleep, and Success

MGMT 52N

#39720 - Online: October 20 - November 3, 2021

Learn how healthy eating and quality sleep can help your energy level, work performance, and overall health. You will have an opportunity to evaluate your own eating and sleep habits and strategize on how to make improvements.

Finding Your Purpose—Leading with Strengths:

Maximize Your Talents and Develop Your Strengths

MGMT 50S

#39712 - Online: November 4 - November 18, 2021

Research says when we know our purpose and use our Strengths every day, we have higher well-being. Using Gallup's Clifton Strengthsfinder, you will find out what your unique strengths are and how to be intentional to use them in every area of your life.

“The Well-Being Institute helped me get to know myself a little better. I also learned how dependent I am on devices - which caused me to miss important interpersonal cues with my family and friends. I recommend this series of classes to anyone that wants to invest in themselves. You won't be disappointed . . . you may even realize how happy you are!”

*Donna Winchester
Vice President of Human Resources, MERCO*

The Science of Happiness:

The Connection Between Well-Being, Happiness, and Productivity and How to Cultivate it at Work

MGMT 52H

#39722 - Online: December 1 - December 15, 2021

Explore why happiness matters and how to increase it within yourself, among colleagues, and across your organization. Learn actionable strategies for boosting happiness at work, leading to better performance, innovation, higher productivity and well-being.
